The annual CCTA conference is our flagship event and an industry recognised 'date for the diary'

In a relaxed and friendly atmosphere, the event delivers an impressive line-up of regulatory and industry speakers alongside a comprehensive mix of delegates and exhibitors. Each year we bring together speakers and panellists to help lenders navigate the ever-changing landscape of consumer credit.

In 2025, we welcomed 135 delegates to our 2025 Annual Conference, along with 62 dinner guests the evening before. The Financial Conduct Authority (FCA), Financial Ombudsman Service (FOS) and HM Treasury took part in the event, in addition to panel sessions that covered regulation, technology and innovation.

The CCTA conference provides opportunities to network with industry peers and includes an exclusive member dinner, which takes place the evening before the conference. Take a look below at our 2025 figures, brochure and photography.

“If you chose one event to attend each year, make this the one. Great attendee and panel list and the best chance to network in a relaxed and friendly way. If you don't walk away with a new connection or revived connection for your business - I'll be amazed.

Rachael Magowan, Moneyline

“Really relevant content in the current regulatory climate, with FCA & FOS updates on motor finance, along with excellent presentations, particularly Plain Numbers and Walker Morris.

Paul Speakerman, Automotive Compliance Ltd

“A thought-provoking and engaging conference again from the CCTA who continue to demonstrate how well they represent and listen to members. It was enjoyable to get to the crux of many key challenges we all share. Knowledgeable speakers, informative regulatory insights from the FCA & HM Treasury. Already looking forward to 2026!

Rachael Phillips, CAMCO Finance Ltd

“This is the second time I have attended the CCTA Dinner and Conference and it's quickly becoming one of the highlights of my business year. It's great to have the opportunity to network with people from across the industry and hear relevant insight from good speakers and our regulators. The CCTA team do an amazing job in pulling the event together and I've always felt welcomed and included at both the dinner and conference itself.

Matthew Dodd, Borderway Finance Ltd

“

The conference provided a great opportunity to catch up with familiar faces and meet new acquaintances from across the industry. The speakers were engaging and covered a wide range of topics, giving valuable insights into the key challenges and opportunities firms are facing today which left us feeling inspired and motivated. Thanks to the team for a great event. I'm looking forward to the next!

Debbie Gandy, GAIN Credit

We are one of the longest-established trade associations in the financial services sector, representing the interests of alternative lenders for over 130 years. We represent over 150 regulated firms and are at the heart of a more extensive network of smaller firms.

These are often firms involved in alternative lending sectors such as home-collected credit, high-cost short-term, motor finance, logbook loans, pawnbroking, and lending for smaller retailers. Our members lend to customers underserved or not served by mainstream lenders.

Members look to us to provide guidance and support regarding all regulatory matters. We are advocates for our network of lenders, brokers and associates.
